

Donation Request Form: Green Computing Program

The Green Computing Program is designed to match incoming computing devices with the unique requirements of each district and school. In order to ensure that any equipment provided by our program will be of use to your organization, please provide us with the following information:

Organization Name:

Contact Name/Title:

Address:

City/State/Zip:

Contact Telephone:

Contact E-mail:

Minimum Hardware Specifications:

Equipment Type (e.g. desktop, laptop):

Quantity Requested:

Date Requested:

Date Required:

Delivery Requirements:

Manufacturer:

Processor:

Memory:

Video:

Hard Disk:

Optical Disk:

Network:

Monitor:

Keyboard:

Mouse:

Minimum Imaging/Software or Other Requirements:

Refurbished hardware is typically delivered to the school or organization for imaging. All hard drives are cleaned and sector tested to a certified Department of Defense 5220.22M standard to ensure that there are no viruses or proprietary data remaining on the hard disk drive. If your organization is unable to image computers in-house, and/or has other minimum software or operating system requirements for donated devices please describe them here or attach a description:

Other Hardware Requirements:

Equipment Type (e.g. printer, router, switch):
